Work carried out in 2024

Turbines changed new

INTERNAL ACCOMMODATIONS

Sleeps 12

- 2 double cabins
- 1 VIP cabin
- two crew cabins
- 5 toilets
- lounge on the lower deck

EQUIPMENT

Kitchen with Miele 4-burner induction hob (2022) - AEG oven (2022) - Whirlpool fridge - Beko 100lt freezer (2022). Two waste water tanks – one waste water tank – 2 Samsung 32” LCD TVs (2021) - eight Sony MF radios – six CD players – 4 LCD TVCs (1*22” – 2*28” – 1*38”) - Clima air conditioning system with two compressors for 92,000 BTUs – Tecnicomar watermaker.

MOTOR EQUIPMENT

No. 2 MTU - 16V2000M91 engines total effective kW power 2963 year of construction 2023 water jet

Exhaust pipes: Reinforced neoprene and stainless steel.

Last revised on Yearly current maintenance – 2022

Revision of the two risers and replacement of two fiberglass exhaust stubs

Replacement of turbine sleeves 2021

Renewal of the insulating coating of the engine exhaust gas pipes

Operating hours: 1080

Belts, filters, impellers

12/24Vdc and 220V

N. 2 Dolphin battery chargers of 120 and 100 A

N. 2 inverters 500-600 w

Batteries 6*230Ah – 2*100Ah – 8*100Ah

Differential switches on 220V

Circuit breakers on utility lines, battery switches - G.E.2*21kw Kohler (2022) -2 85 Ah batteries

PORTABLE EXTINGUISHERS LAST REVIEW DONE JUNE 2023

No. 1* 6 kg powder

No. 1*5kg CO2

No. 5*1 kg powder

No. 2* 2kg CO2

N. 2* 2 kg powder

For fixed fire extinguishing system in engine room and for fire water system 12 kg to HFC 227

INSTRUMENTATION

COMPASS - Brand: Riviera Mod. White Star;

RADA – Brand: JRC Mod. 16 – 1000

GYRO COMPASS

WATCH – Altitude Mod. D 100

BAROMETER AND HYGROMETER – Altitude Mod. D 100

ECHO SOUNDER – Garmin Mod. FF 160

AUTOPILOT - Navicontrol Mod. AP3003GOLD

N. 2 VHF RADIOTELEPHONE – ICOM/Furuno Mod. ICM40/2721

OTHER EQUIPMENT AND EQUIPMENT

- Navionics SUN11 plotter

- Raymarine A series 11 plotters

- Closed circuit TV for engine room and stern

- Gandoli footbridge

- Raymarine 650 AIS system

- Epirb (2022)

- Beacon of depth

- Antenna and Raymarine SAT Receiver (2021)

- Hydraulic flap system

- Trim system for Arneson groups

- Sky system with three decoders-two transversal propellers Pp and Pr Side Power

- Gandoli hydraulic gangway

PUMPS

- n.4 automatic EE/PP

- two EE/PP 24/220 V

- a further E/p 24volts of 55lt/min

- Emergency suction system in the engine room bilge by means of valved crosspieces derived from the suction pipes from the sea -

ARMAMENT

- N.1 Bruce anchor of 90kg

- 100 m of chain d 12 mm

- Winch Lofrans 2000

- Still respect Two aft winches for warping

Inflatable Mercury F 9.9M – Brand: Plastimo Mod. 320 mt.

Engine type Mercury F 9.9M Cv 10 Year of construction 2022

TANKS

Material Type: Aluminum/structural

Material Type: Structural VTR

Diesel capacity: 3000 liters + 3000
